

# LAB

## Products Catalogue

### **ULT Deep Freezer -86 °C Vertical**

- Model: FUDF-86V
- Type: Vertical / Upright
- Temperature Range: -50°C to -86°C
- Material: SS 304 Inner, Powder Coated Steel Outer
- Insulation: High Density Vacuum Insulation
- Compressor: Dual Cascade Compressor
- Display: Digital Temperature Control
- Features: Alarm System, Battery Backup, Castor Wheels, Key Lock
- Power Supply: 220-240V AC, 50Hz

### **Deep Freezer -40 °C Horizontal**

- Model: FDF-40H
- Brand: Froven Innovations
- Type: Horizontal / Chest
- Temperature: Low Temperature Storage
- Material: SS 304 Inner, Powder Coated Steel Outer
- Display: 7" Touch Screen Digital Display
- Cooling: Hermetically Sealed Compressor
- Features: Alarm System, Battery Backup, Castor Wheels, Lock & Key
- Refrigerant: R404a
- Power Supply: 100 to 290V AC, 50Hz

### **Deep Freezer -25 °C Vertical**

- Model: FDF-25V
- Brand: Froven Innovations
- Type: Vertical / Upright
- Material: SS 304 Inner, Powder Coated Steel Outer
- Shelves: 4
- Display: 7" Touch Screen Digital Display
- Cooling: Hermetically Sealed Compressor
- Features: Alarm System, Battery Backup, Castor Wheels, Lock & Key
- Refrigerant: R452A
- Power Supply: 100 to 290V AC, 50Hz

## Ice Lined Refrigerator (Horizontal)

- Model: FICRH
- Capacity: 301L Gross / 248L Net
- Type: Horizontal
- Temperature Range: +2°C to +8°C
- Material: SS 304 Inner, Powder Coated Steel Outer
- Display: Digital Temperature Display
- Cooling: Hermetically Sealed Compressor
- Features: Alarm System, Castor Wheels, Lock & Key, 5 Baskets
- Refrigerant: R134a
- Power Supply: 220-240V AC, 50Hz

## Ice Lined Refrigerator (Vertical)

- Model: FLRV
- Capacity: 301L Gross / 248L Net
- Type: Vertical
- Temperature Range: +2°C to +8°C
- Material: SS 304 Inner, Powder Coated Steel Outer
- Display: Digital Temperature Display
- Cooling: Hermetically Sealed Compressor
- Features: Alarm System, Battery Backup, Castor Wheels, Lock & Key
- Refrigerant: R134a
- Power Supply: 220-240V AC, 50Hz

## Laboratory Refrigerator (Vertical)

- Model: FLRV
- Type: Vertical / Upright
- Temperature Range: +2°C to +8°C
- Material: SS 304 Inner, Powder Coated Steel Outer
- Door: Glass Door with Lock
- Display: TFT Touch Screen Digital Display
- Cooling: Forced Air Circulation
- Features: Alarm System, Battery Backup, Castor Wheels, Data Logger Optional
- Refrigerant: R134a
- Power Supply: 220-240V AC, 50Hz
